## **A MESSAGE FROM THE PRESIDENT**

Hello to all my fellow members from the president,

What a great meeting we had with 31 members in attendance.

In our January meeting it was mentioned that we will be needing someone for the position of Retreats. Feel free to call me if you are interested, 970 252 3551.

We had some great input on the Black Canyon Quilt Show. I am so looking forward to the show.

Meeting was highlighted with Rachel Darling, a local quilter giving us a demonstration on making a Topsy Tumbler quilt block. We also had Sue Bussing as a guest speaker on The Kids Aid Backpack Program.

It our February meeting Black Canyon Quilt Show will be bringing the rifle quilt and ticks. I cannot wait to see the quilt.

As I enjoy all the sharing and, experiences at our meeting, I hope to see you all on February 10th when Bold Line fabrics out of Delta will be meeting with us. See you all there

Linda Jolley-Richards

### Refreshments and Setup

February refreshments will be brought to us by Jean Hatfield, Cyndi Holman, and Sandy Engraff. Jean and Cyndi will set up, and Jean and Sandy will be cleaning up.

In March, refreshments will be provided by Rebecca Chatham, Elma Ross and Nadine Ward. Linda Jolley-Richards, Elma and Nadine will set up, and clean up will be Rebecca, Nadine, and Elma.

February Program: BOLD LINE fabric store in Delta will be doing our presentation this month. We'll have a chance to meet the owner and see some of the stock she carries and hear about projects

In March we will have a sew in. Sue Alexander and Barbara Knappenberger will guide us through construction of FLANNEL RAG QUILTS.

SAVE THE DATE: Our April meeting will include something different, LUNCH! So plan a bit of extra time to sew with us until noon and then enjoy soup and salad, details to follow.

**The class I (Jane Nannestad) mentioned at the guild meeting is Stupendous Stitching by Carol Ann Waugh. It is found at [Craftsy.com](http://Craftsy.com). Look under the Quilt tab, Online Classes.**

**I am sitting at my desk at school after coming to school with hazy skies (the wood burners are burning fuel and smoking the beautiful starry sky) because it is only -44 with a wind chill of -65. AND yes I agree that is cold. Wrote on Jan 24, 2018 from FROZEN Alaska.**
