Program

TIPSY TUMBLER is the name of the program for our January meeting.

Rachel Darling, a local quilter, will show us a creative way to use your charm packs(5 “ squares) and layer cake packs(10” squares).

She will bring a completed project and will demonstrate the steps using her machine during the program.

This should be a fun demonstration to watch.

In February we will have the opportunity to meet with the owner of BOLD LINE fabrics in Delta, mark your calendars for February 10.

See you on January 13th.
