## Welcome, Appraisal Clients!

Thank you for valuing your quilts enough to find out more about them. I may surprise you with my conclusions! I've been appraising since 1997, certified by the American Quilter's Society since 1999, and a member of the American Society of Appraisers (ASA) for more than six years. My other qualifications will be on your report – but feel free to request it beforehand, or e-mail/phone with other questions.

Here are some of the questions I will be asking you during the course of the appraisal. To help things go more smoothly, take a minute to jot notes on this worksheet. Then bring it to your appointment.

I'm looking forward to meeting you!
