

# MOON PHASES WORKSHOP

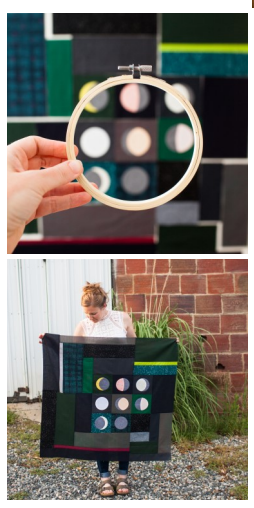

with Laura Loewen

## HELLO!

The Moon Phases workshop includes hands on instruction and step by step walk through of Laura Loewen's Moon Phases quilt pattern. This workshop teaches the basics of basting curves for applique, curved English Paper Piecing, and hand applique techniques. You will work on a quadrant of the Moon Phases wall hanging and develop the skills to complete the rest independently. The Moon Phases quilt finishes at 38" x 38".

## PREP

- Be sure you have purchased the Moon Phases pattern prior to the workshop. Print if desired.
- Please gather all supplies needed before joining Zoom.
- Cut and label all pieces for Fabrics A-L as directed in Cutting Instructions, page 3 of pattern. Sort pieces for the Upper Left quadrant to be assembled during workshop, illustrated on page 5 & 6.
- Print or trace four copies of templates, page 4 of pattern, onto cardstock paper.
