

### **A NOTE FROM YOUR PRESIDENT**

What a fabulous month July was! First we had a very successful Black Canyon Quilt Show. The talent on display never ceases to amaze me. Congratulations to Sue Palmer and the BCQS Board and thanks for all your hard work. Jean has put an article in this newsletter with statistics related to Friendship's participation. There are some great numbers. Following that quilt show was the Montrose County Fair, and the quilt show that was part of the Open Show. The timing isn't good for us, with it being so close to Black Canyon, and I know everyone was tired. But you stepped up and helped create a wonderful display, and generously gave of your time to be there during the show. Then we had our picnic at Cerise Park. Cathy gave us a fun and intriguing game to play –those were some difficult questions! The sandwiches were great, and the goodies brought by the board members were delightful.

It's time to start thinking about our upcoming election of new board members, as well as the opportunities to volunteer on one of our many committees. First, we need a Nominating Committee – three members who will help us present a slate for the 2025 Board. We're going to need an Audit Committee, which could double as the Budget Committee. Lastly, we're going to need a By-Laws Committee. Our By-Laws are supposed to be reviewed and amended (as needed) every 5 years, and 2025 is the year we need to take care of that. The Board has at least one item that may need to be added, should the membership agree, and the Committee may learn of other items that will need to be addressed. If you are willing to serve on one or more of these committees, please tell any board member.

# Black Canyon Quilt Show News

## Thanks!!!

Thanks to everyone who helped make the 2024 quilt show another grand success: the Board and committee chairs and volunteers, the Pavilion Staff, the judges, featured teacher Laura Loewen, show entrants, the vendors, those who helped wet up and take down the show, members who made items to sell in the boutique, and those who worked during the show. A successful quilt show could not be held without everyone's support and help.

Now, it's time to **Consider serving on the Quilt Show Board for 2025.**

Planning for the next show begins in September, immediately after the Annual Meeting on September 21<sup>st</sup>. Some key positions on the Board will need to be filled by, or at the annual meeting. Positions known to be becoming vacant, as of today, are:

- President/Show Chairman
- Secretary
- Vendor Chair
- Appraisal Chair
- Hospitality Chair
- Publicity Cochair

What's involved with a Board position? You can find out what the obligations are for each position by going to [blackcanyonquiltshow.com](http://blackcanyonquiltshow.com) and clicking on the "About Us" tab where the bylaws are located.

**Mark your calendar** for the Annual Meeting on **Saturday, September 21 at 9:00 a.m.** in the Montrose Police Department meeting room. Board members will be elected. New people are needed to serve on the board!!!!

## FQWC Programs: “More in ‘24”

*Learn More ☯ Create More ☯ Share More ☯ Make More ☯ Try More ☯ Dream More*

**August 22:** It is Road Trip Month – bring a project that uses fabrics you bought on a road trip, or a project that has a road in it. Colors this month: BLACK, GRAY, YELLOW AND WHITE (like a road!)

Our Guild Meeting will feature **Linda Beach**, an award winning fiber artist from Grand Junction, whose nature inspired pieces have been commissioned for many public art installations as well as juried into nationally prominent exhibitions such as *Visions* and *Art Quilt Elements*. She has served as the Artist-in-Residence at numerous National Parks and also been featured on The Quilt Show with Alex Anderson and Ricky Tims. More recently you may have seen Linda's work in the Fall 2023 issue of *Fiber Art Now* magazine juried into Excellence in Quilts III and featured in the Winter 2024 issue of *Art Quilting Studio*. More about Linda and her work can be seen at her

website [www.lindabeachartquilts.com](http://www.lindabeachartquilts.com). This will be a FABULOUS presentation—bring a friend and don't miss it!

On Thursday, August 29 we're going on a **Guild Road Trip** to the out-of-town quilt shops that support our guild as newsletter advertisers: Clubb's in Delta, Quilters Inspiration and Hi-Fashion in Grand Junction. Sign up at the August Guild meeting or call Jean Hatfield. This should be a FULL fun day exploring shops with quilting friends. Approx. 8:30am-4:30pm.

**September 26 - We will be meeting in Friendship Hall this month!** Our “Color of the Month” and Project of the Month is FALL THEMES. In keeping with that theme, Kim Lindel will present a program on using fabric scraps to create gorgeous fall décor pieces. We will also have a representative from Dolphin House speak to us about the services they provide in our community in anticipation of the Quilt and Toy Parade in November.

**October 24** – turn in your Guild Challenge project: “Churn it Up”. See additional information elsewhere in the newsletter.

Looking ahead to **NOVEMBER 21**: We will once again feature a “Quilt and Toy” Parade whereby your quilt (any size) is paired with a coordinating toy for children (any age) of families served by Dolphin House Child Advocacy Center. This has become a favorite Guild tradition that supports this important Community Resource.

Finally-----keep making and turning in those Wild and Goosey paper pieced blocks and the Red-Center Log Cabin blocks! We've got a great start on a couple of beautiful caring quilts with all the work you've done!

# Announcements

**Thank you to everyone who attended our July picnic.** We got to know each other a little better with Cathy Romaniello's game "Would you Rather" and we learned about our October "Churn it Up" challenge.

**Quilts and Toys for Dolphin house show-n-tell** is at the November Guild Meeting. This quilt activity for charity is always a big hit. Raymie from Dolphin House will give a brief program about Dolphin House and the positive impact of FQWC quilts and toys.

**Artist Postcard Mural** - Do you have an original-design quilt that you think would look good in a collage mural? Can you imagine a digital version of your quilt on a 3-story outdoor wall in Ridgway? Do you want more exposure for your quilts within the art community? If you answer "yes" to any of these questions, you're in luck! Friendship quilters have been invited to submit photos of their work, alongside other local artists, to be considered as part of the "Artist Postcard Mural". The Artist Postcard Mural Proposal will then be submitted to Ridgway Space to Create Request for Proposals ([townofridgway.colorado.gov/resources/requests-for-proposals/bids](http://townofridgway.colorado.gov/resources/requests-for-proposals/bids)). If you have a quilt photo, please send it to Cathy Romaniello at [cathyromaniello49@gmail.com](mailto:cathyromaniello49@gmail.com) or call 720.955.0962 for more details. **Photo deadline – August 28.**

**Reminder - The September Guild meeting** will be in Friendship Hall. This is a change for September only.

**Help Wanted! FQWC Newsletter Editor starting in 2025!** Training provided.

This board position is perfect for someone with a modicum of computer skills and a willingness to learn more. Here are three great reasons to say "yes."

1. The newspaper template is set (Thank you, Karla Gilbert) but can be modified as needed.
2. Guild members have been great at submitting articles. (e.g. You don't have to write a lot of original content.)
3. I am willing to come to your house and teach you everything I know to make this job as easy as possible.

Please consider volunteering for this board position that takes between 5 and 10 hours per month.

If you have questions, please contact me, Penny Jansen, [penjansen50@gmail.com](mailto:penjansen50@gmail.com) BTW, the sooner you say "yes" the more time I'll have to help you get started.

**Improv Group** - meets immediately after the September guild meeting. Anyone interested in Improv Quilting is welcome to attend. Please bring your improv work from the past few months. We will discuss what you, as a member of the group, would like to learn. See you in September. Margaret Noah

## Churn It Up - 2024 Friendship Challenge

The finished quilt must have three layers, must be tied, or quilted and must have finished outside edges. The quilts will be presented at the **October meeting.**

Note ... neutral colors are defined as colors that lack saturation and create a restful effect.

Questions - Please Contact Elizabeth Binder at [lizz45binder@gmail.com](mailto:lizz45binder@gmail.com)

**Fall Retreat is October 10, 11, & 12.** The retreat is now full, but you can put your name on a waiting list.. Please remember that if you are not sure you can make it, you can always put your name on our wait list. Talk to Barb Crossen to register and/or if you have questions.

**Reminder** Continue to bring your "Wild and Goosey" and "Red centered Log Cabin" quilt squares to each guild meeting. Together we can make amazing group quilts!

## Friendship Quilter Paula Straw's Quilt "Bearing Witness" accepted into a Studio Art Quilt Associates (SAQA) Global Exhibition

The Exhibition will open September 16, 2024 at Raritan Valley Community College Institute for Holocaust and Genocide Studies, and travel globally until closing in December 31, 2027.

Here's the story behind Paula Straw's piece "Not Forgotten."

When my husband and I visited Budapest, Hungary, we visited a memorial on the banks of the Danube River. Sixty pairs of shoes, cast in iron stand testimony to a time in history when Jewish families were marched from their homes to the banks of the Danube, instructed to remove their shoes, then shot so that their bodies fell into the river. This was the winter of 1944.

There are shoes of mothers, grandfathers, young boys and women. With deep sadness, I paused at a pair of child's shoes. I returned home compelled to learn more: "who wore these shoes and what was their story?"

My research uncovered the atrocities of the Nazi occupation and the collaboration of the Hungarian Arrow Cross Party. Jewish families were forced to live in "Yellow Star Houses" and ghettos. They attempted to survive by changing identities and living in hiding. Following months of deportation trains to Auschwitz, Jewish people of all ages were rounded up and shot on the banks of the Danube.

No place was safe. On the 12th December of December 1944, the Nazis raided the Red Cross Shelter for Jewish Children. The children harbored there suffered the same fate.

My quilt bears witness to the murder of thousands of innocent children. It measures 22.5 X 21 inches. It is digitally printed on linen and embellished with an abundance of hand stitches, 3 dimensional pebbles, and quilting by hand and free motion.

# What's in the Friendship Library?

by Karla Gilbert

Do you have a collection of blocks from a block exchange, maybe some vintage blocks you don't know what to do with, or some sampler blocks that you made? Get those blocks into a finished quilt with help from Sharyn Craig's **Great Sets** book. The author uses what she calls "setting maps" to create the perfect setting. The seven basic maps and wonderful colorful examples of their use can take your quilt settings up a notch from the common plain straight sets with sashing and cornerstones or blocks just set on point. Her options can help a person deal with blocks of different sizes and patterns. The settings may actually become the eye catching focus for ho hum blocks. No actual patterns are provided, but instructions are given to make your blocks fit a chosen setting. Charts are included in the back of the book to serve as a cutting guide for pieced settings and blocks.

The Dolores Mountain Quilters Guild was established in 1994 and currently has 120 members.

Meetings are the first Tuesday of every month at 10 a.m. at the Dolores Community Center. Beginners and visitors are welcome. Annual membership dues are \$25.

The Guild supports the community with dozens of quilts donated to families, children, veterans and individuals in need and to nonprofit organizations for fundraising; and annual cash contributions that support nonprofit service organizations. Since 2003, the Guild has donated more than 940 quilts, 1,010 children's Christmas stockings and \$37,400 in cash donations. The Guild hosts classes taught by Guild members and regional and national instructors. For more information: [doloresmountainquilters.org](http://doloresmountainquilters.org).
