Columbine Quilters

September 2024

Fall is in the air and Kim will be sharing different ways for us to decorate our homes for the fall. I love to change my décor for the different seasons. It will be fun to make something new for this Fall.

Looking forward to seeing the centers of the Malted Mystery quilt. It is always great to see all the different color combinations.

Our meeting is on September 7, 2024, will be at the Welcome Home Alliance Warrior Resource building. See you there.

FALL Landscape Confetti Art Quilt Program by Judith Kennedy
October 5, 2024

This is a fun art project that embraces ART. In a Confetti Art Quilt, I use the fabric and threads as a paint brush. This technique is unique and will expand your use for the home "Stash" and brain "Creativity". This technique can be used as the whole art quilt or with mixed media projects. Confetti uses One to Three background fabric, then multiple fabrics including yellow, gold, blue, green, brown and red.

Material and Tools List

1. Bring your own picture/pattern of a landscape, (landscape picture of your own to use as reference for your design for lines and color.) Think of Fall Trees. Approximately 8 1/2 x 11 inch. **KEEP IT SIMPLE.**
2. Fabrics that will complement your design. Think of 3-4 different values; very light, light, medium, and dark. also threads or yarns. Do not cut up any of your fabric Please bring a Fat Qtr. of Black for backing, any quality. (You will finish your art quilt at home on your machine)
3. White marking pencil and a pencil to trace with.
4. Fine scissors, rotary cutter and small cutting mat, chalk, a tracing wheel
5. stiletto, tweezers, and Long straight pins preferred.
6. Stabilizing pad to hold our designs in place, such as a large piece of flat styrofoam or a square ironing pad. Also a box bottom, or a shirt box to carry your project home, flat & safely on your stabilizing pad.

I will be providing black or white felt for each person and, black or white tracing paper and the tulle There will be a **\$3.00 charge** for the supplies that I provide.

Laurel shared her Southwest piece from the BCQS Challenge...she entered it in the County Fair and won a Ribbon! Her hand quilting was inspired from actual visits in the South West.

Tammy shared an amazing quilt she made with her young friend and they did fabulous hand quilting!

Progress on the Malted Mystery Quilt!

Sally's progress....she reminds us to mark our pieces! Laurel's center block!
