Columbine Quilters

October 2024

Happy Birthday Columbine Quilters! It was October 1993 that we had our first meeting. My how time flies. On page 13 you will see a picture of some of the earlier members showing off quilts that were given away. Even back then Community service was a big part of who we were.

I am looking forward to the class that Judy will be teaching us. I always enjoying learning something new.

I will have a signup sheet for 2025. Please considered a position that you can volunteer for.

Our meeting is on October 5, 2024, will be at the Welcome Home Alliance Warrior Resource building. See you there.

Let us inspire your next project

This is a fun art project that embraces ART. In a Confetti Art Quilt , I use the fabric and threads as a paint brush. This technique is unique and will expand your use for the home "Stash" and brain "Creativity" . This technique can be used as the whole art quilt or with mixed media projects. Confetti uses One to Three background fabric, then multiple fabrics including yellow, gold, blue, green, brown and red.

Material and Tools List

1. Bring your own picture/pattern of a landscape, (landscape picture of your own to use as reference for your design for lines and color.) Think of Fall Trees. Approximately 8 1/2 x 11 inch. KEEP IT SIMPLE. Please have it traced, you will making another tracing of your picture during the class.
2. Fabrics that will complement your design. Think of 3-4 different values; very light, light, medium, and dark. also threads or yarns. Do not cut up any of your fabric Please bring a Fat Qtr. of Black for backing, any quality. (You will finish your art quilt at home on your machine)
3. White marking pencil and a pencil to trace with.
4. Fine scissors, rotary cutter and small cutting mat , chalk , a tracing wheel
5. stiletto, tweezers, and Long straight pins preferred.
