Columbine Quilters

February 2025

February 2025

Columbine quilters I am so excited for 2025! I really want to remind us that Columbine is a group that celebrates its members' successes, whether that is finishing a quilt, learning a new technique, donating to charities, or starting exciting new projects. Take a moment to cheer for all of it! What a talented group of quilters I am lucky to be part of! As a reminder, something new I am doing this year as President, is to really encourage everyone to give back to our community in some way. Whether that is donating a quilt to the Cancer Center, Dolphin House, community options; making pillowcases for Heads at Ease; bringing in socks to give to Sharing Ministries; making a monetary donation for shipping, etc...whatever it is that you choose to do to give back. Your name will go into the "donation jar" that meeting and the next meeting a name will be pulled out for a little something special. I want our group to be known for its generosity and support in the community. I am looking forward to an AMAZING year with you all! Hugs, Shelly
