Columbine Quilters

June 2025

Hey Ladies! I just want to give you all a BIG Thank You for your generosity so far this year! Let's celebrate what brings Columbine Quilters together: friendship, kindness, and the joy of giving. Here's to giving generously, laughing often, and stitching love into our community.

I love to hear Kim's report each month of our donations to our community, and Rebecca's stories of our pillowcases. Now it is time to donate to the Boutique! Get your creations to Kim L so we can raise money for our BCQS and The Partner's program. Every donation is much appreciated! When we give from our hearts, we spread warmth into the universe...one act of kindness at a time. Your donation, whether a quilt, a blanket, a pillowcase, or your time, becomes a source of comfort for someone in need. In this big world that sometimes seems cold, let's be the ones who bring warmth. I encourage you all to keep quilting, keep creating, keep sharing, keep giving, and keep inspiring.

Every month when we meet, I leave and know I've found something truly special...each other. Thank you for your friendships, your creativity sparks inspiration, and your kindness makes my heart happy. Looking forward to our June 7th meeting! Hugs, Shelly

Guests were: Roena Frank, Cheryl Jennings, Nancy Williams, Linda Moore, Pam Grow and Bonnie Egan
Last month's minutes were approved

The budget and bank statements were audited by Cheryl and Evelyn. One small error was found and corrected. Other than that, all was in order and everything balanced.

Laurel reported on the Black Canyon Quilt Show. Turn in money from raffle ticket sales by June 8th to Laurel

I hope that you have been enjoying the Columbine BOM. The fourth and final block will be presented and sent out at our June meeting. You should be able to get all of the blocks out of the club fabric. If you have miscut and need a bit more, let me know.

Thank you to all of you that have participated. Be sure to bring your blocks to the next meeting that you attend.

June program

Spend time with us in June as we design our Fusible Grid Projects. For those participating, remember to bring three different fabrics cut into 2" squares. If you don't have time to cut, I will have my Shape Cutter at the meeting to make quick work of cutting squares.

Columbine is supplying the fusible grid. I will bring a few pieces of white sheeting for helping with stabilizing the project, making it easy to move to a sewing station. Several people signed up to bring irons, and pressing mats to share. You'll need a sharp pointed scissors and your sewing machine, if you want to "finish" the project at our meeting, otherwise you will be able to take your fused project home and finish it there.

Consider bringing something to eat, as this will take awhile.
