Columbine Quilters

January 2026

Hey there Columbine Quilters!

I have to say what a pleasure it has been to serve as your President in 2025. As I pause to reflect on the year we've shared, I'm so grateful for the creativity each of you bring in your creations; the generosity shown through charity quilts and other items given; and most importantly the friendships formed across our stitches. Your passion for fabric keeps the art of quilting alive and I am so grateful to be part of your journey.

I'm incredibly lucky to be able to stay in the position for 2026! It is going to be a fabulous year! I'm so excited for fresh ideas and new possibilities to learn new techniques. With Sally heading our programs, it's going to be an Amazing year! My goals for 2026 that I would like to extend to the group are: 1. Let's try a new technique or block, 2. Using that "too special to cut" fabric, and 3. Starting (or finishing) a meaningful quilt! 4. And, always giving back to our community in any way you can share your talents! And remember to give yourself some grace – Quilting isn't about perfection – it's about expression, comfort, and connection. May your sewing space be a place of peace and inspiration.

Thank you for being part of Columbine Quilters. Your support, enthusiasm, and love of this craft mean more than words can say.

Hugs, Shelly

Quilting Tips

To keep blocks from slipping when you're sewing them together, spray starch on them.

Running your needle and thread through a folded dryer sheet before hand-piecing helps prevent knots.

Sharpen your rotary cutters by cutting through a folded piece of aluminum foil several times.

To keep from accidentally cutting through fabric when you're snipping threads, use blunt-tipped children's scissors.

Scrubbing fabric with an old pair of nylon hose will help remove chalk markings.
